## WARRIOR TRAILS

By Robin Newcomer

How Warriors! Welcome back to school! An especially big hello goes to Mr. Joe Rotcher, a new vice principal, our new teachers, the 527 frosh, and Selda Ustertunali, the foreign exchange student from Turkey. These people are members of our tribe for the first time.

The first week of school ended with the traditional Brown and Gold Night. The field was complete with the new football teams, Pep Squad, Warrior Varsity Band (with Rocky Westlake as the new drum major), Majorettes Dianne Stonick and Barbara Dudikoff, the Warriorettes (led by Janet Allan), the new team captain, and lots of fireworks. Even the usually boarded-up school sign was lit and allowed to add to the festivities and celebrate its first birthday. If appearance signifies anything, all signs point up for the Warriors.

Spirit Week, another annual activity, is now taking place. Assemblies are being held all week long with a combined school assembly on Friday. The frosh wore white shirts or blouses on their particular assembly day, while all loyal sophomores donned tennis shoes on their day. The special garb for juniors is bowties and the seniors will top their heads with hats.

THE HOME football game against Rolling Hills High and the Junior-sponsored Welcome Dance will make up Spirit Week's Finale. Tickets for the Welcome Dance are 75 cents.

Selda Ustertunali is staying at the Jack Erving household while she is visiting here from Turkey. Her hometown is in-between the cities of Ankara and Istanbul. She has already graduated from high school and instead of having just one year of chemistry, as we usually have here, she has taken four years! Incidentally one of her subjects at West is chemistry. By-the-way, Mer Haba is Turkish for hello, if you want to surprise her one day.

If you have some extra time on your hands and want something to do, try joining one or two of West's 25 clubs. There is at least one to fit everybody's interests so why not glance at the list in the 1966-67 edition of Warrior Ways and find the club for you.

SPEAKING OF Warrior Ways, an excellent job of revision was done from the color of the cover to the contents of the handbook. With a map of all the Pioneer League schools no one should stay home when we have away games because of lack of directions. And everyone should be appropriately dressed for school activities with the "What to Wear" chart. Even the numerous sketches add variety to the "rules and regulations." A special thanks to G. S., whoever he is. The mystery artist?

Freshman elections are coming up for the fall semester officers. The freshmen have the largest class on campus and therefore should get a good selection of candidates. Come on all you qualified freshmen, get out and run.
